

Rehabilitation, Core Stability and Personal Training using the Swiss Ball (1.5 hours)

In this presentation Paul will give a detailed explanation of stretching protocols on the ball, core stability and spinal mobility training, rehabilitation protocols and a host of strength and conditioning exercises for the beginner through to the advanced ball user.

Presented by: Paul Wright B.App.Sc(Physio). Dip.Ed.(P.E.)

Paul Wright is one of Australia's leading health and fitness educators. His academic qualifications include a Bachelor of Applied Science (Physiotherapy), a Diploma in Education (Physical Education) and an advanced diploma in Business Management. He currently owns and operates multiple Get Active Physiotherapy clinics in Australia - some of which are located inside Fitness First Health Clubs. Paul has been actively involved in health education for more than 20 years, having lectured to over 15 000 health professionals in the areas of program design, injury prevention, and more recently in business management.

He was awarded the 2002 Australian Fitness Network Presenter of the Year and the 2004 Author of the Year.
